

MARCH HAS BLOWN IN!

It's hard to believe it, but March is already here. Who knew that February would fly by so quickly? As we look forward to the weeks ahead, there is a great deal to be excited about for us here at The Punch Bowl.

Before looking forward to what March may bring, we like to begin each new month by looking back at the successes of the previous month. The stand out event in February each year is Valentine's Day. This year we celebrated with some gorgeous specials of: lobster ravioli, fillet steak and chocolate fondant. The dishes went down a treat and a good time was had by all. We also had a school holiday period in February which meant we were rather busy for a week. This was very enjoyable as it meant we saw some younger guests, bringing a bit more atmosphere.

Moving forward to March the first event is Shrove Tuesday. Taking place this year on Tuesday 5th March. To celebrate we will be serving crepe suzette throughout the day, which has all of our sweet toothed staff very excited.

March 20th marks the beginning of spring this year and given the recent good weather, we are hopeful for a sunny spring. The slightly warmer weather and longer days make the local walks more enjoyable and more accessible, so we hope to see more people out and about during March. We have even seen our first outdoor diners this year, making the most of our outdoor eating and drinking facilities.

With the weather set to pick up, there will be a few lighter touches coming to our menu this March. Our kitchen team have already been out in the local fields picking wild garlic to be added to some of our dishes. Along with this wild Sea Bass is coming into season so that's definitely something to look out for along with the damson blossom that we are excited to see towards the end of the month.

The final event to look out for in March is Mother's Day, falling on the 31st of the month. This special day is always something to get excited about and tends to be a great success. The chefs have not yet decided on a menu for Mother's Day, as they want to wait and see what ingredients are best at the time, but when we know more about it we will let you all know through our social media streams and our website.

If you are looking for overnight accommodation, the ladies on Reception have some excellent room rates until the end of March 2019. (These include 2-night and 3-night breaks). Please contact either Carole or Judith on 015395 68237.

On a final point, we have a new position (Operations Manager) which has meant we have been joined by Craig. He joined us on Monday 11th February. We would all like to welcome him to the team.

We are also hiring at the minute. If you're an enthusiastic and hardworking individual and would be interested in a job with our award-winning team, please get in touch with (We have positions available in Front of House, Reception and the Kitchen).
