

June & July are a really beautiful time of year to visit the Lake District. The days are getting longer, with lots more sunshine and a little less rain! With fairs and events taking place (Cumberland County show in June and Ambleside sports day in July for example) you are spoilt for choice for your daytime activities.

OUTSTANDING news. Arthur Bridgeman has WON the **William Heptinstall Award**. This is a truly outstanding achievement, based on a chef's total commitment, drive & passion to the industry & relationship with ingredients to the menu. Arthur had a gruelling interview process with the trustees & top chef judges in London on Tuesday. The announcement of his win means that Arthur will start planning an exceptional experience of learning in France (his chosen country) to broaden and widen his culinary & vinous skills.

Don't Panic Arthur is not going anywhere yet, at least 18 months of deciding his French kitchen stages, then he will return to reward us with the benefits of his gastronomic learning & new skills.

Richard and the team are very proud of him and will help him plan the journey of his life.
