

MAY IN THE LAKE DISTRICT

May in the Lake District is a really lovely time. The days are getting longer with more sunshine to see the spectacular fells. The Easter rush has 'been and gone' and the summer influx is yet to come. Historically, May is also one of the driest months of the year in Cumbria. The golden daffodils are no longer golden and have been replaced with glorious carpets of bluebells. The blossom has bloomed, the fields are full of lambs Summer is on its way !

NORTH WEST YOUNG CHEF OF THE YEAR

We are all extremely proud of Oliver who won his heat of North West Young Chef of the year earlier in April. He now moves forward to the final later in the Month.

A 'masterclass' for all the finalists will take place on the 16th May at Moor Hall in Ormskirk with the final taking place at South Cheshire college on the 23rd May.

We wish him every success for the 23rd.
